PROMOTING NANOTECHNOLOGIES

NanoPRO has been launched to support the growing needs of nanotechnology based companies in reaching new markets, sourcing new customers and promoting the benefits of their products and the importance of nanotechnologies.

Our PR service reaches all corners of the globe, all industry sectors, and includes a plethora of research scientists. We have over a decade's worth of experience working with internationally based institutions, corporate companies and innovative SMEs.

At our finger tips is a network of journalists, news aggregators, bloggers and most importantly buyers of new technologies, innovators and innovative companies wishing to add value to their customers' product experience.

Clients and members include: Revolution Fibres Ltd, Innovnano, Novionano, Exilica Limited, Bergeson & Campbell, P.C., 3D Metrics, Royal Society of Chemistry, iSmithers, EPNanoNet, Cranfield University, Dermazone Solutions, BizEsp, IDTechEx, and Mesago Messe Frankfurt GmbH. PLUS others that cannot be named due to NDAs.
